

# Member Login Tutorial

This tutorial should help you if you're having any problems logging into the members area of [www.afjonline.com](http://www.afjonline.com).

1. Enter [www.afjonline.com](http://www.afjonline.com) in the address path and hit enter
2. Locate the member login area in the top right corner of the page. I've circled in yellow in the picture at the right.
3. This site uses the same login you used on the old AFJ online website. Your login name should be your email.
4. The first time you login you will need to set up your account. If you don't know your password, click the "remind me" button and enter your email. An automated email will be sent to your email telling you your password.
5. Enter your email and password. Press the 'enter' key on your keyboard or just click the 'go' button.
6. This will redirect you to the members' home page.

\*note: if you don't remember your password or login ID, contact Carol Demasters at [caroldemasters@yahoo.com](mailto:caroldemasters@yahoo.com).
